

EM 204

Fittings

Design: R&S Emmegi

A range of executive and meeting armchairs available with low, medium or high backrest.

Unibody frame with fire-retardant cold-moulded polyurethane foam padding covered with fabric or leather, with aluminium core, made of side and cross elements joined together to support elastic straps.

Die-cast aluminium **armrests** with arm pads in the same colour as the seat.

The aluminium parts can be polished, chrome-plated or black painted.

Seat adjustment **mechanisms** include:

- tilting system (with polished cover) with 4-position adjustment, with side-mounted control to adjust backrest tension according to user weight and backrest lock/unlock release system;
- tilting system with backrest tension adjustment according to user weight and lock/unlock release system.

The unibody frame can rest on a polished, chrome-plated or black painted die-cast aluminium fork support.

Seat height adjustment by gas lift.

Auto-return system for swivel chair with 5-star base with glides.

Polished aluminium or chrome-plated or black epoxy powder coated 5-star **base**.

Self-locking dual-tread rubber swivel castors (Ø 60 mm for polished aluminium or chrome-plated base, Ø 65 mm for black painted base).

The range includes a chrome-plated or black painted oval tubular steel **cantilever frame** (with reinforcement core along the front curve) only for the low backrest version.
