

Max

A range of executive armchairs with high, medium or low backrest.

12m-thick beech plywood **seat** with CFC-free polyurethane foam padding.

Injected polyurethane foam **backrest** with steel insert

Height-adjustable sliding lumbar support (70 mm) available for high and medium backrests.

Die-cast aluminium **armrests** with upholstered arm pads in the same colour as the seat, or entirely upholstered armrests with polyurethane foam padding and steel insert.

Synchronized seat/backrest **mechanism** with 5-position adjustment, with side-mounted control to adjust backrest tension according to user weight and lock/unlock backrest release system.

Seat height adjustment by gas lift.

Auto-return system for swivel chair with 5-star base with glides.

Polished aluminium 5-star **base** with self-locking dual-tread rubber swivel castors (Ø 65 mm) or glides.

Fittings
