

Pulchra

Classic executive armchair with high, medium or low backrest.

Shaped beech plywood **unibody** with differentiated-density polyurethane padding.

Die-cast aluminium **armrests** with upholstered arm pads in same colour as the seat.

For Pulchra Wood, armrests are in pressed and bent beech plywood with light walnut or rosewood lacquer finish.

Seat adjustment **mechanisms** include:

- seat/backrest tilting mechanism that can be locked in a different position, with adjustable backrest tension according to user weight and lock/unlock backrest release system.

- seat/backrest tilting mechanism with 6-position (Multiblock) adjustment, with adjustable backrest tension according to user weight and lock/unlock backrest release system.

Seat height adjustment by gas lift.

Auto-return system for swivel chair with 5-star base with glides.

Polished aluminium 5-star **base** with self-locking dual-tread rubber swivel castors (Ø 65 mm) or glides.

The Pulchra Wood version comes with a 5-star base with load-bearing steel body covered by a protective solid wood casing with light walnut or rosewood stain, with self-locking dual-tread rubber swivel castors (Ø 50 mm) or glides.

For the low-backrest version can be fitted with a chrome-plated or black painted oval tubular steel cantilever frame, con reinforced core along the front curve; in the Pulchra Wood version, beech plywood **cantilever frame** coated with a light walnut or rosewood finish.
