

Vista

Design: R&S Emmegi

A range of executive chairs with high, medium or low backrest.

12m-thick beech plywood **seat** with CFC-free polyurethane foam padding.

Tubular steel **backrest** covered with visible stretch mesh (Vista Mesh), or with polyurethane foam padding and fabric or leather upholstery (Vista Light).

With the high backrest, the headrest is always upholstered in the same colour as the seat.

Height-adjustable lumbar support (70 mm), available for high and medium backrests.

Fixed die-cast aluminium **arms** with armrests in the same colour as the seat or 4D-adjustable armrests (height, width, depth and rotation) with nylon or aluminium support and soft polyurethane arm pads.

Synchronized seat/backrest **mechanism** with 5-position adjustment, with side-mounted control to adjust backrest tension according to user weight and lock/unlock backrest release system.

Adjustable seat depth available on request.

Seat height adjustment by gas lift.

Auto-return system for swivel chair with 5-star base with glides.

Polished aluminium 5-star **base** with rubber dual-tread self-locking swivel castors (Ø 65 mm) or feet.
