

teknion volume

teknion

Volume™ is a lightweight stacking chair scaled for high-density applications including cafeterias, classrooms, training rooms, auditoriums and conference rooms.

Volume's shell design follows the contours of the body for comfortable support. The sculpted opening in the chair back makes it easy to lift and move. Optional accessories such as a tablet arm, bookrack and ganging device allow the chair to adapt appropriately to its setting and purpose, at an attractive price.

First Row: *Light Grey, Medium Grey*
Second Row: *Storm White, Latte, Espresso*
Third Row: *Solar Yellow, Crimson, Deep Ocean, Ebony*

features

accessories/performance

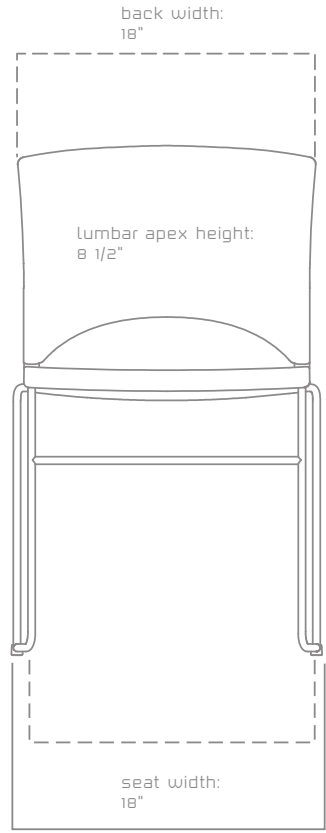

- A Dolly is available for easy transport and compact storage
- Non-upholstered chairs stack 35 high on the dolly and 10 high on the floor; chairs with upholstered seats stack 25 high on the dolly and eight high on the floor
- Anti-scuff polycarbonate glides protect chairs when moving and stacking

- Retrofittable tablet arm offers a generous writing surface and pivots 90 degrees
- Retrofittable bookrack conveniently stores books and personal items; an integrated easy-access cup holder is included
- A multi-position ganging device secures and aligns chairs
- Generous 300 lb (136 kg) weight capacity

finishes

- Nine shell colors – Storm White, Latte, Light Grey, Medium Grey, Espresso, Solar Yellow, Crimson, Deep Ocean, Ebony
